QUIZ

Same task, two prompts. Which gets the better answer?

QUESTION

Which is better?

A Write something about our new report.

B Write three bullet points for a busy manager on the main findings of the report below. Plain English, under 60 words. If something is not stated, say so: [paste text]

ANSWER

B

It names the audience, the format, the length and what to do when unsure. A leaves the AI to guess all four.
